Knights Hold Golf Outing for Benefit Diabetics Research

On Saturday, June 12, 2010, the Knights of Pythias Diabetes Research Association, in conjunction with the Grand Lodge Sports Committee, held its 6th annual PDSC David Applebaum Golf Outing to Benefit the Juvenile Diabetes Research Foundation (JDRF).

Over 140 golfers and non-golfers arrived at the Riis Park Pitch & Putt Golf Course to enjoy a beautiful day of golf, fun and fundraising.

This year, the Golf outing made a net amount in excess of \$12,000 for the day and presented a check to the JDRF in the amount of \$5,000 and an additional check will be made to the JDRF at a later date.

This was the sixth annual golf outing held and over these six years, the Outing has raised in excess of \$100,000, all of which was donated to Diabetes Research.
